

QLD I-MED Online – Windows Desktop Shortcut

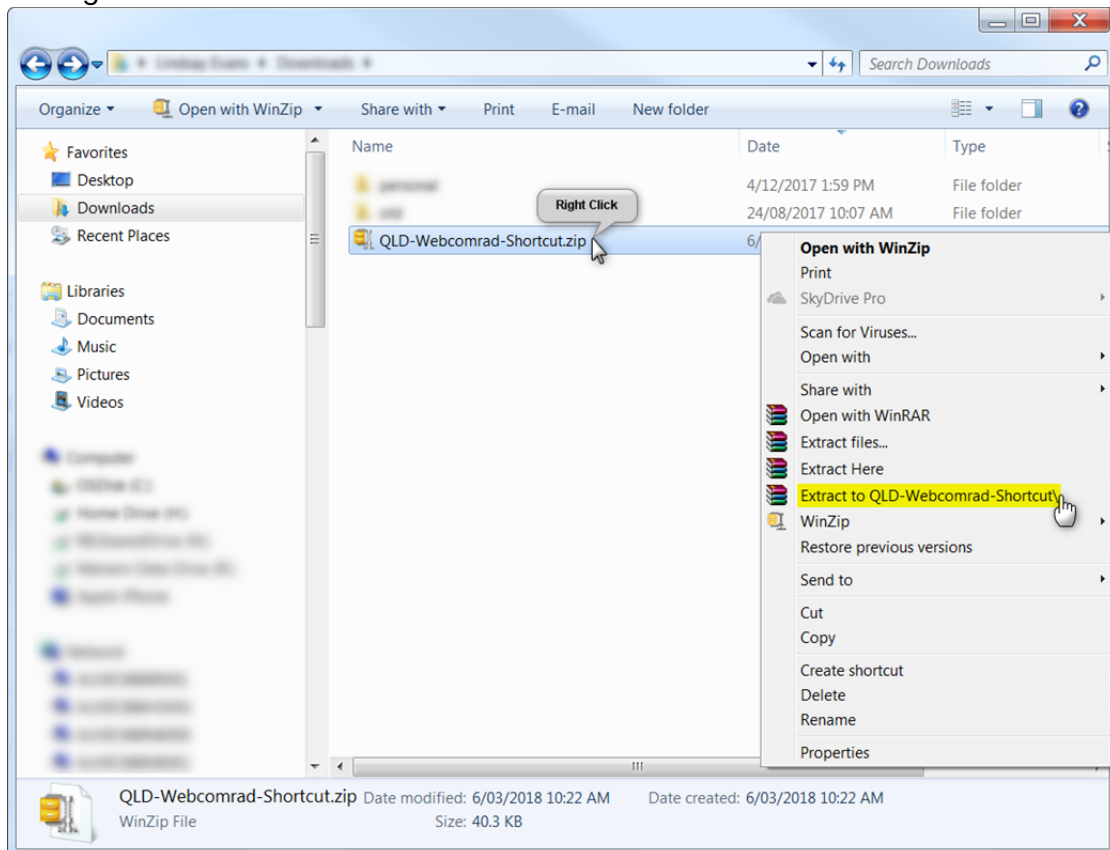

1. Navigate to I-MED webpage: <https://www.i-med.com.au/>
2. Hover over 'For Doctors' then select 'Access patient images'

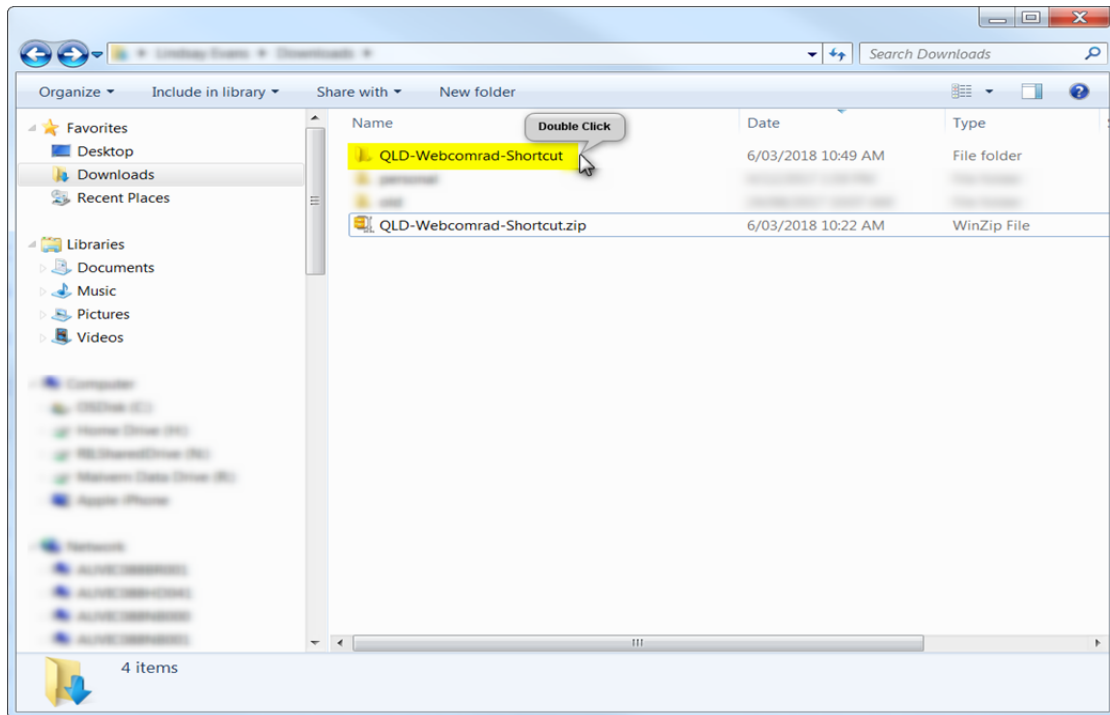

3. Click 'Queensland' then click 'Windows Shortcut (ZIP)' – this will download a file to the default downloads folder

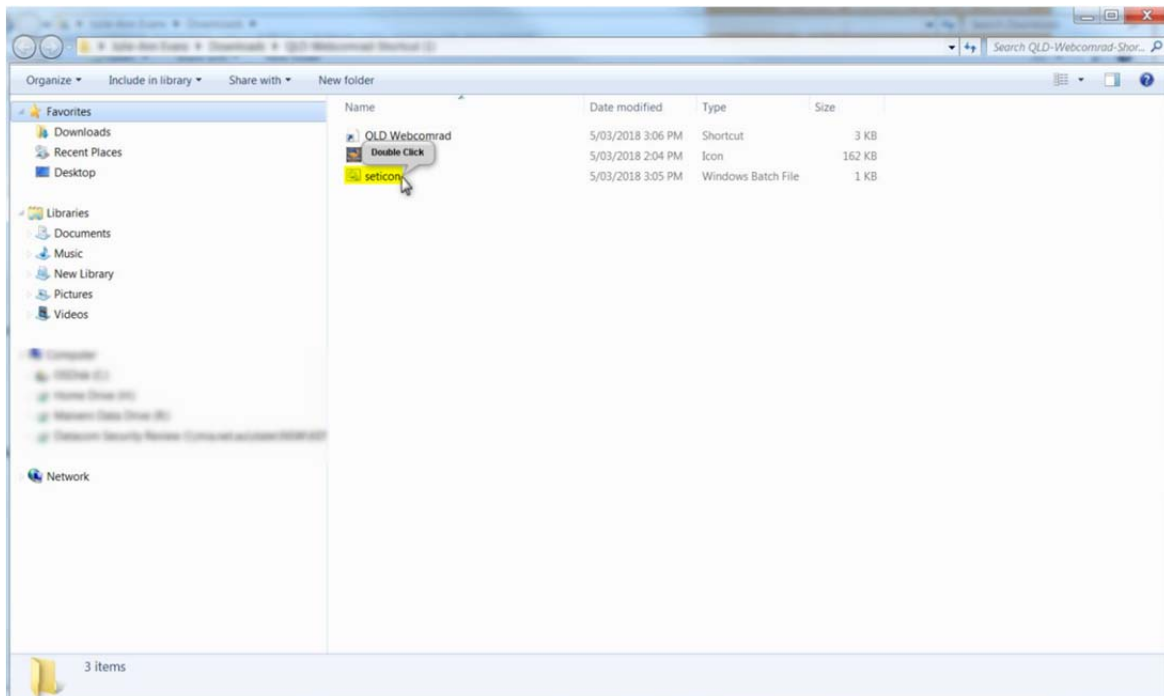

4. From the downloads folder, locate the file named 'QLD Webcomrad-Shortcut.zip'
5. Right click the file and extract

6. Once extracted, double click the extracted folder

7. Double click 'set icon' to enable the IMED Online logo for the shortcut

8. Drag and drop the IMED Online icon onto desktop
